

CHRIST THE KING SCHOOL SUMMER 2018

PRINCIPAL'S MESSAGE

Dear parents/guardians:

Another fruitful year over, we look back with tremendous gratitude to our God, for giving us this fantastic, avid and doting community of learners at Christ the King School.

We are very proud of our academic program, 24 out of 30 students in grades 7 & 8 achieved honour roll status; meaning 85% average. Well done!

Congratulations to the class 2018! Thank for your surprised legacy gift of \$1000 towards the purchase of a bench, for students' outdoor enjoyment and to purchase music instruments to enhance our band program.

We are very grateful to all our teaching and support staff for their enthusiastic, commitment and expertise, reflected both in and out of the classroom and through extra-curricular activities.

Our school is very blessed to have the support of parents, even grandparents who give so generously of their time and talents through their work on the Parent Advisory Council activities and on the School Board. Thank you to CTK parish groups as well for your prayers and support. You are all essential stakeholders to fulfil our school's mission.

Farewell to our students and their families who are leaving us; some of whom are relocating to Toronto, Calgary, Steinbach, Niverville and other parts of the province. We also say farewell and thank you to Ms. Lucas and welcome Ms. Janice Bernardin to the Junior High team.

Please note that the school office will be closed from **July 9 to August 20**. **First day of classes for students is Wednesday, Sept 4th**.

I wish everyone a wonderful summer filled with God's blessings.
Mrs. Laura Carreiro, Principal

My name is Janice Bernardin and I am very excited about joining the Christ the King community this fall in the role as the grade 7 & 8 math, science and religion teacher.

Immediately upon graduation, I taught grade 10 – 12 pre-calculus mathematics at St. Mary's Academy for one year while the math teacher was on sabbatical. The following year I went to St. Maurice where I spent the next six years teaching grade 7/8 math and science. I was also responsible for organizing the annual grade 7/8 science fair.

In the summer of 2000, our first of three children was born so I stepped out of the classroom and for the next 15 years, I worked from home as a private tutor specializing in high school pre-calculus and applied mathematics. I also enjoyed volunteering as a science fair judge at the annual St. Boniface Diocesan High School science fair.

I am looking forward to this next chapter of my life and the return to Catholic Schools. In particular I am grateful for the warm welcome I have already received. It is very evident to me that this school values high academic standards and solid faith development. I am eager to be a part of your child's educational journey in September.

MESSAGE FROM THE SCHOOL BOARD

Thanks from the Board

The Board would like to congratulate all of our grade 8 students as they move on to bigger and better things in junior high! We wish you all the best and hope that God continues to watch over you and guide you on your journey ahead.

As I look back at CTK over the year and assess where we are as a school and community, what strikes me the most isn't only our student's achievements, their growth and maturity, how much fun they are having or the amazing bonds they are making with friends they are growing up with - it's the volunteers.

So much of what makes this school great, and provides such a fertile ground for children to grow and thrive, comes from the hard work of all of you - the parents, grandparents, parishioners, teachers, staff and students! I can't help but feel enormous pride in our community for stepping up and sharing your time, skills and money to make CTK such a great place to be.

Over the summer the Board will put down its pens and paper and pick up paint brushes as we renovate the library over the summer break and do general maintenance in the building. If you are interested in helping by painting or assembling some shelving please let me or any Board member know, boardchair-man@ctkschool.ca.

We will also be saying goodbye and thank you to two of our board members whose children are graduating grade 8 this year: Tarsis Illyas and Jill Perron. Thank you for your time and commitment.

We will also be welcoming two new members of the board in September, Gina Trinidad, Candace Savage and our new Parish Life Director of CTK, Sister Maria Ciccarelli. We hope you will see lots of Sister Maria come September. With her infectious smile she brings a wealth of knowledge and experience in Catholic education with her after a full career in northwestern Ontario.

My final thank you has to be to Mrs. Carreiro - the unsung champion of our school. We are so blessed to have her here. She tirelessly pursues the interest of parents, students and staff and is an enormous resource to the Board. Thank you Mrs. Carreiro for a great year and by the looks of your planning for September a great one to come!

We wish you all the best for a safe and fun summer and look forward to seeing you all in September.

Thank you all as well for your feedback and support.

Warmest Wishes,

The CTK Board of Directors

PARENT ADVISORY COUNCIL (PAC)

Well, June is here and almost over! Where has the time gone?

Between the fun lunches, hot dog days, staff appreciation, pancake brunch, movie night, fundraisers and so many other activities, PAC has had another busy year.

I want to take this opportunity to express my personal gratitude to everyone on PAC (that is **all** of you reading this!) for the time and talents you all have shared over this past year to enhance the school experience for our children. PAC relies on parents and volunteers to carry out its activities. Without you, these events cannot happen. Thank you.

Hot Dog Day!

Staff Appreciation

Smoothie Day

Congratulations to all the children and parents graduating this year or moving on to newer, more challenging school environments. We wish you the best and every bit of success in your new schools and life beyond.

Now it's time to head off for summer and get some well-deserved rest and relaxation! I wish everyone a restful and safe summertime. May it be full of adventure and memories. See you all in September.

Sincerely,
Kevin Sim, PAC Chair

New for this year.
Tired of fighting the crowds shopping for school supplies? This year, go online to School Start to purchase your school supplies and have them delivered to your door! For every kit ordered, CTK received \$5.

You can place your order online at www.schoolstart.ca

Great for labeling clothing and a great fundraiser for the school!

HOP, SKIP & JUMP-A-THON

On May 25th, a beautiful spring day with a welcomed warm breeze, CTK students hopped, skipped and jumped in the school field for our annual largest fundraising school event. With excitement and their water bottles in hand, students earned their pledges by engaging in rigorous 35 minutes of hopping, skipping and jumping activities. Thank you to our parent chaperones – Lisa Bestvater, Denise Flint, Susan Evenson, Hana Forbes, Jordan Forbes, Lawrence Trinidad, Jennifer Liberty, Student Council Presidents – Jamie and Jonah, and Mr. Kalichak for ensuring a fun, smooth and safe event.

I am pleased to say that we reached our \$15,000 goal! Thank you for your great response and generosity. How does a new playground sound? Students... you've earned it! Playground enhancements are targeted to begin this summer!

This year's achievement would not have been possible without our prize sponsors and their generous spirit. Please ensure to visit these establishments to personally thank them for their support

Thank you to all our 2018 CTK Hop, Skip & Jump-a-Thon Volunteers for all their hard work in making this event a memorable experience. Finally, thank you to all the students who worked to get as many pledges, knocking on neighbours' doors and participating in some healthy competition with each other. There were 88 students who met the \$50+ level prize category and each received a surprise gift card. This year, 25 students met the \$200+ level and enjoyed a pizza lunch and treats. All prizes were awarded Friday, June 1st at the school assembly. What a true CTK community effort! Thank you all so very much for making the 2018 "With all that hopping and popping, there ain't no stopping" Hop Skip & Jump-a-Thon a success for our school.

Looking forward to next year. Have a great summer!
Gina Trinidad, 2018 HSJ Coordinator

And the Winners are....

Top Classroom #1—Grade 3—total raised \$2,160.31

Top Classroom #2—Kindergarten—total raised \$2,037.00

Top Classroom #3—Grade 6—total raised \$1,864.00

Family Fun Basket— Lauren K. in Gr. 5

Sports Fun Basket—Payton D. in Gr. 4

Summer Fun Basket— Charli J. in Gr. 1

*iPad Grand Prize—Luke P. in Gr. 6

Congratulations!

“With all that hopping and popping, there ain't no stopping”

READING WITH A DOG PROGRAM

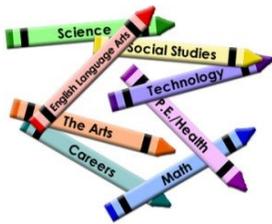

Kira-Lynn, along with her humans Mr. & Mrs. Dawson, came to read with the grade 1 students over the months of April and May.

Thank you so much for helping the students improve their reading skills Kira-Lynn!

Hugs,
The Grade 1 Class, Mrs. Malo & Mrs. Piper

EDUCATION COMMITTEE REPORT

The Education Committee is comprised of CTK staff members and develops goals for the school, the ESD Plan, and professional development for staff. This past school year, our school goals have been achieved. We exceeded our first goal in the ESD Plan. With the help of the Lennox Club and School Board, we were able to purchase and install not only one, but two hydration stations! One was installed outside the gym and the other was installed upstairs. Our second goal of implementing a new report card for K-8 was also accomplished.

Another goal for this school year was to improve students' math fact recall. Our goal was to have the majority of students achieve 85% or higher in basic fact automaticity. The school purchased a software subscription to the Mathletics program for Gr. 5-8. This program not only supports Manitoba curriculum in all strands, but also has a game component to practice math facts. Teachers did other instruction and practice of math facts in the classroom as well. Students were evaluated in September, January, and May to track progress. Our final results show that the majority of students in Gr. 2-8 were able to achieve basic fact automaticity in operations.

As part of the Well-Being and Mental Health component of our ESD Plan, we have continued the House Team meetings with emphasis on the lives of the saints and how we can all learn from their example to be better people. We also continued with Project 11 in grades 5-8. These will be continued for the 2018-2019 school year.

A new goal for Well-Being and Mental Health is to implement Kelso's Choice in K-5 and the Ophelia Project in 5-8 in the 2018-2019 school year. These programs teach students how to deal with conflict resolution and prosocial skills.

As part of the Environment component of the 2018/2019 ESD Plan, the school is working towards replacing the bike rack with a new one, and encourage the use of bicycles as a form of transportation to and from school.

Lastly, we are also looking at waste reduction in the 2018/2019 school year. We will be implementing a Staples Recycling Program for writing instruments such as markers, highlighters, and pens. We will be collecting plastic bags in October for the Multi-Material Stewardship Manitoba Take Pride Winnipeg Bag Up Challenge in order to help our community reduce the number of plastic bags going into our landfills. A year long waste reduction project will be Wasteless Wednesdays. Students and staff will be asked to reduce the garbage they produce once a week. Since lunch waste tends to be the largest contributor of garbage in the classroom, families would be encouraged to use re-usable containers, reduce items with packaging, and use utensils that are non-disposable. More information about these initiatives will come in September.

Education Committee—Mrs. Edwards, Mrs. Piper, Mrs. Grantham and Mrs. Carreiro

Roots of Empathy

Racines de l'empathie

ROOTS OF EMPATHY

ROOTS OF EMPATHY – JUNE WIND-UP

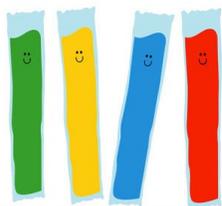

The Grade 2 students had a wonderful experience participating in the Roots of Empathy Program this year! Baby Juliano, our little teacher, taught the class about the development of a baby and how to show empathy toward others.

A big thank you to Mrs. Dhillon and Juliano for sharing Juliano's first year of life with us! It was a pleasure watching him reach so many milestones with us – smiling, sitting up, getting teeth, rolling over and crawling!

Mrs. Piper, Resource Teacher
Roots of Empathy Instructor

STUDENT COUNCIL

As their last activity of the year, the Christ the King Student Council held a Freezie Day on May 4th. We raised \$131.15 for CTK technology, which will be used toward the purchase 10 new iPads, completing the school set to 30.

Student Council executives and representatives were also very busy promoting the Hop, Skip, and Jump-a-thon, going to each classroom and handing out treats to encourage the raising of funds and handing in of pledges to fulfill the \$15,000 goal.

They vibrantly decorated the bulletin board near the gym to indicate the fundraising progress. The co-presidents were engaged the whole afternoon, leading the various grades in the hopping, skipping, and jumping activities of May 25th.

A big thank you goes out to our 2017-2018 Student Council executives and representatives for their hard work and dedication: Jamie, Jonah, Luca, Diya, Marissa, Addison and Jaden.

Congratulations and best wishes to the incoming student council of the 2018-2019 year: Janelle H. and Eden W. (co-presidents), Luke P. (treasurer), and Elena V. (secretary). We look forward to the Gr. 4 & 5 class representatives joining them in September to make the next school year an exciting and fantastic one!

Mr. Gawron and Ms. Lucas
Teacher Advisors
Student Council

Student
Council
Speeches

BISON REGIONAL SCIENCE FAIR

There were 12 CTK students from Grades 6-8 that participated in the Bison Regional Science Fair on April 12. Our students competed against 10 other independent schools (177 students) at this fair, which was held at Holy Cross School. Our students did very well! The results are as follows:

Elementary Division:

- Gabriel and Nico (Gr. 6) won Bronze in Physics
- Luke (Gr. 6) won Silver in Physics
- Marissa (Gr. 6) won Gold in Environmental Sciences
Award for Best Environmental Science Project

Junior Division:

- Luca (Gr. 8) won Bronze in Microbiology and Chemistry
- Gabby (Gr. 7) won Silver in Health, Bioscience, and Pharmaceutical Sciences

Sciences

- Diya and Mafalda (Gr. 7) won Silver in Health, Biotechnology, and Pharmaceutical Sciences
- Jillian and Samantha (Gr. 8) won Silver in Microbiology and Chemistry
- Jamie (Gr. 8) won Silver in Environmental Science
- Jonah (Gr. 8) won Gold in Health, Biotechnology, and Pharmaceutical Sciences
Award for Best in Health, Biotechnology, and Pharmaceutical Sciences

Jonah was also one of three students from the fair who joined a team of students from across the province to represent Manitoba at the Canada-Wide Science Fair in Ottawa.

MANITOBA SCHOOLS SCIENCE FAIR

Congratulations to our 16 students who entered the MSSS (Manitoba Schools Science Symposium) on April 27th. Special thanks to

their teachers, Mrs. Edwards and Ms. Lucas, and to their parents for all their support!

MSSS (Manitoba Schools Science Symposium) – CTK winners:

Grade 6 (Silver Medals)

Lukas & Drew and Gabriel & Nico in Physics and Engineering
Marissa in Environmental Science & \$150 award from Geoscientists Manitoba

Grade 6 (Gold Medal)

Luke as well as Best Project Award for Physics and Engineering at the Elementary Level

Grade 7 – (Silver Medals)

Mafalda & Diya in Social Science
Gabiella in Health and Biotech, \$50 Women's Health Foundation

Grade 8 (Bronze Medal)

Austin RC – in Health and Biotech

Grade 8 (Silver Medals)

Luca in Chemistry, Health and Biotech
James in Health and Biotech
Jillian & Samantha in Chemistry

Grade 8 – Honorable Mention

Julika and Cole

Grade 8 (Gold Medal)

Jonah – Health & Biotech, Best in Geoscience \$150, Physics & Engineering \$100 and Institute of Engineering \$100

MATH CONTESTS

Congratulations to the Gr. 3, 7, and 8 students who wrote the Mathematica Centrum and University of Waterloo contest on April 18th! All students wrote well, and we would like to acknowledge those who have received certificates of recognition:

Mathematica Centrum Certificates of Distinction

(scores above national average)

Thales (Gr. 3): Shrey Kapur - medal recipient for top in grade as well as provincial champion

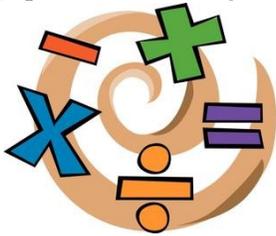

Euler (Gr. 7): Liam Galaugher - medal recipient for top in grade
Diya Olickal

Lagrange (Gr. 8): Jackson Gordon - medal recipient for top in grade
James Joseph, Philopateer Rezk,
Austin Roy Chowdhury, Brett Torres

University of Waterloo Certificates of Distinction

(top 5 scores of the grade per school)

Gauss (Gr. 7): Gabriella Albensi - Certificate of Overall Achievement
for top in grade
Liam Galaugher
Diya Olickal

Gauss (Gr. 8): Luca Romeo - Certificate of Overall Achievement for top in grade
Jackson Gordon, Angela Ilyas, James Joseph, Austin Roy Chowdhury
Jacob Tsai

WISE (Women in Science and Engineering)

On May 10th, Grades 4, 6, 7 and 8 had the privilege of participating in some workshops provided by WISE (Women in Science and Engineering). Each grade participated in the Codebreakers workshop in which students used tablets to program and control robots via Bluetooth. The students had fun learning how to make their robots move in different directions, say certain phrases, and light up in different patterns. Some students tried moving their robots through an obstacle course, and the Grade 7/8's tried to play a robot soccer game!

In addition to the Codebreakers workshop, the Grade 6 class also had a workshop on electricity to coincide with their science unit on the topic. Students used "Snap It" electricity kits to build simple circuits that included lights, motors, and speakers. Fun was had by all!

BAND PROGRAM

Thank you to all the parents who came and supported the students at the final band concerts of the year! The students all played very well especially those who stepped up and played a solo, featuring their talent and confidence in front of a crowd. I'm very proud of all the students.

This was a very busy season. A few days after our school concert, the students travelled to St. Joseph the Worker School where they played for the K-6 students. Because they don't have a band program at that school, the students had the opportunity to witness the sights and sounds of a school band. They all played very well!

Thank you parents for supporting the band program here at CTK! I look forward to another season filled with music! Have a good summer!

Mr. Gawron
Band Director

MUSIC PROGRAM

We have had an absolutely fantastic year with music this year at Christ the King School! The students have participated in: The Advent Concert, The Spring Concert, and the Volunteer Tea. The most popular extra curricular group this year was Mass Choir with 28 participants. Body Percussion was introduced and that club has grown to eight members since the Spring Concert! Students in Grades 1-6 had the amazing opportunity to go to the Winnipeg Concert Hall to listen to the Winnipeg Symphony Orchestra! On these field trips our students represented Christ the King School as the wonderful students that they are.

Grade Eight Choir was a huge success with their interpretation of "Stand by Me" which was performed at the Volunteer Tea! I hope that all of these brilliant singers will continue to participate in the arts at their various high schools next year. Their new schools are so lucky to have them!

I want to thank students, parents and staff for their support of music events this year. All of these events would not be possible without the contributing support that comes from all of you! I look forward to working with all of you and am starting to feel the excitement of another musically exciting year here at Christ the King School!

Sincerely,
Ms. Kirkwood

PHYSICAL EDUCATION NEWS

Christ the King recently held our Grades 6-8 Sports Banquet, honoring all of our student athletes for a job well done in Manitoba Catholic Schools Athletic Association (MCSAA) sports this past school year. As President of the league, I was very impressed, and humbled, as well, on how our student athletes represented Christ the King and the Royals name with courage, dignity and pride, all wonderful characteristics that each team had.

Thank you to all the volunteer coaches, Mr. Romeo (Grade 6 boys volleyball and basketball): Mr Koskie (grade 6 girls volleyball and basketball): Mr. Gordon, Mr. Harrington, and Mr. Torres (grade 8 boys volleyball): Mr Torres (grade 8 boys basketball): Mr. Sawatzky (co-coach grade 8 girls volleyball). Without these parent volunteers, the Royals sports program would have not run as smoothly as it did.

A special and HUGE THANK YOU goes out to Mr. Koskie, who served as a coach with the Royals program for over 8 years; and to Mr. Gordon, who served as a coach for 7 years.

Thank you to all parents for helping in setting up the gym, and especially our cooks (chefs!), Mr. Gordon, Mr. Norman and Mr. Santiago. All of your help made the Sport Banquet special for the student athletes.

Our Grades 4-8 students represented Christ the King at the Knight's of Columbus Track and Field Meets held at the University of Manitoba campus June 10th and 13th. The weather cooperated, not so much for the Junior High after 1:00pm, and everyone competed very well. Our grade 4 class represented Christ the King for the very first time, and were very successful for their efforts, as were all of the student athletes.

I AM IN NEED OF PARENT VOLUNTEERS TO HELP COACH THE ROYALS SPORTS TEAM NEXT SCHOOL YEAR. IF INTERESTED, PLEASE SEND ME AN EMAIL OVER THE SUMMER AND HELP MAKE THE PROGRAM A SUCCESSFUL ONE. dkalichak@ctkschool.ca.

Have an awesome summer, students and parents, and see you all in September.

Mr. Kalichak
Physical Education Specialist

GRADE 8 FAREWELL 2018

On Thursday, June 28th we said farewell to the 25 students of our Grade 8 class. Celebrations began at 10:00am with our School Mass followed by the Awards Ceremony, the Farewell Reception which took place in the gym and a class beach party. We wish our students all the best as they move on to their new schools.

Faith is the evidence of things unseen

CTK Resource Corner

Summer Fun Activities for Kids

Beat the summer slide with some activities to stimulate and engage!

1. Have a puzzle race. Use 100-piece puzzles and see who finishes first.
2. Play a card game, maybe crazy eights or UNO. Take your pick.
3. Play a board game. Candyland, chess, monopoly, etc. depending on age and inclination.
4. Show the kids science is fun. Find some easy experiments online!
5. Read a chapter book aloud. Or even go on and read the whole series together.
6. Master a new skill together. Learn to juggle, play harmonica, do the hula hoop, etc.
7. Write/illustrate a comic book. Make it a group activity or let everyone do their own.
8. Build your brain. Find brain teaser games online.
9. Keep a sketch diary.
10. Write in a journal. At the end of summer, share selections with each other about the highlights of the season.
11. Create a treasure hunt for kids. Do it on your own property or around the city.
12. Get a book of riddles. See if you can stump each other, then write your own.
13. Try doing origami.
14. Pick up some books at a garage sale and have a "read in". Get some comfortable cushions and a popcorn snack to set the tone.
15. Visit your local library. Sign up for a summer reading program.

Wishing all CTK students and families a safe and restful summer!

Dorothy Piper - Resource Teacher

AFTER SCHOOL PRIVATE MUSIC LESSONS

Private music lessons are available in the after-school hours at Christ the King School. The cost is \$20.00 per thirty-minute lessons. There is limited space available so register early. You can register through the Academy of Music's website at

www.academymusic.ca. Please mention 'Christ the King School' in the 'Other Information' text box on the registration form. As well, please indicate your child's grade, if your child is in the afterschool program and the latest time the lesson can finish. You may call (204) 786-1704 for more information.

September 2018 At-A-Glance

Monday, September 3	Labor Day No School
