

CHRIST THE KING SCHOOL

UNIFORM POLICY

Revised Date: May 2023
Effective Date: September 2023

STATEMENT OF PURPOSE

Christ the King School is a Catholic Community committed to Jesus Christ and the full development of each child. School uniforms make a public statement about this commitment by emphasizing what we have in common as opposed to what sets us apart. This emphasis on shared values contributes to the positive growth and development of our students.

PRINCIPLES

The school uniform reflects the Christian principles and is a symbol of the Catholic values taught in our school. We believe that wearing a school uniform reduces peer pressure and develops a sense of belonging and community, which in turn helps increase self-esteem and spirit and reinforce feelings of oneness among students.

Part of each child's educational growth is learning to take pride in their appearance and to dress properly. Purchasing uniforms from the supplier ensures clothing durability, material quality and colour consistency which promotes uniformity in dress and good public image. Together with their parents, each child is responsible for proper grooming and cleanliness, taking care to appear neat and well-kept when representing the school.

POLICY

Christ the King School students must wear the school uniform. The CTK crest must be visible at all times.

Uniforms are to be worn from the first day of school in **September** until the final day of classes in **June**, unless parents are otherwise notified.
